HEARTFELT CARDS CAMPAIGN *HOW IT WORKS?*

You can help support the Ottawa Heart Institute Foundation by purchasing a handmade crochet heart card this February or by selling the cards through your business. These cards are great for any occasion - birthdays, baby showers, weddings, Valentine's Day, get well, thanks, etc.

100% of the funds raised through the sales of these cards will help to ensure that the Heart Institute will continue to provide the best possible care for patients and their families while shaping the way cardiovascular medicine is practiced now, and in the years ahead.

THE HEART BEHIND THE HEART CARDS

Vicki Morewood has worked tirelessly on the Heart Cards for months, gifting her time to create these beautiful cards. Crocheting one heart at a time, Vicki has crafted each card with care. Knitting and crochet have been a lifelong hobby for Vicki, and she has contributed to countless causes. Thank you, Vicki for your dedication and energy.
